CineStock 16mm Edition CineStock 16mm Edition is following the footsteps of different CineStock products. The look is based on the ones that we have seen in movies music videos, as well as the most popular skater movie. The look of 16mm is raw, and usually comes like flat recorection however it is saturated. The grain is well-defined. It is clear that the CineStock 16mm Edition isn't looking to be the most authentic. The idea is to take the personality that is the punk aspect and the swagger of the look of 16mm and transform it into conceptual concepts which are simple to use and modify. Enjoy some 90s-style hip hop or skate punk and get ready to enjoy CineStock 16mm edition. It is the CineStock 16mm Edition includes 3 main presets, and 9 profiles.

This software will work using Adobe Lightroom CC (cloud-based Version), CameraRAW (10.3 and above), and Classic CC (7.3 and above). For use in conjunction with Lightroom Mobile, you'll need the Lightroom CC or Classic CC running on Windows and OS X.
