### What is Neo UV Makeup Black Light Photoshop Action?

The "Neo UV Makeup Black Light Photoshop Action" is a specialized Photoshop action designed to create unique photo effects with a neon or ultraviolet (UV) makeup look under black light or UV lighting conditions. Here's a breakdown of what you might expect from this action:

**Photoshop Action:** A Photoshop action is a series of pre-recorded steps and adjustments that can be applied to a photo with a single click, automating complex editing tasks.

**UV Makeup Look:** The action likely transforms the subject's appearance to simulate UV makeup effects, which are known for their vibrant, glowing, and neon-like qualities. These effects are especially striking when viewed under black light or UV light.
