

Adeline – Modern Light Calligraphy

2025-02-10 16:47:02 [label](#) [我要反馈](#) [下载页面](#)

Adeline Script is beautiful contemporary calligraphy that includes lowercase, uppercase, and symbol and supports multi-language. It includes ligatures, initial and terminal Swash, special swash as well as many alternative fonts. This font can be used to create a logo for branding purposes, gorgeous fashion design that is suitable for wedding invitations, or handwritten quotations. It is easy to feel the glamour and luxury with this minimalist script. It is also PUA encoded.
