

# White Pine Photography – Atticus Collection – Bold Brushes

2025-02-10 17:02:57 label 我要反馈 下载页面

The second edition of the Atticus Collection Brush Set for LIGHTROOM Classic and ACR- this set comes with 17 brushes/radial filters and graduated filters in total. Some are suitable for three filters while some are only suitable for use as a radial filter.

This is not part of the Editing MentorhsipHowever, mentees receive 40 percent off.

You can also purchase this set and the brand new Atlas presets in an entire set (see the store for this option)

Set includes an instructional video that shows you how you can use them. There is also an additional video that demonstrates how to set them up (there is the adjustment brushes and not presets)

No refunds for any reason for digital products, so make sure that these are the products you're seeking prior to purchasing these are in the template format that works with LR Classic, and also have XMP Format for the ACR.

(BOTH formats are included so be sure you try installing the right one for your particular platform)

## What do they mean?

- Blue Skies
- Bring to the Life of
