Keep It Sample Physical: Synth Pop Samples: "Physical" comes from the desire to transform old sounds into something fresh and contemporary for the current generations of artists. In this collection, you'll find the perfect blend of the past and the present, from classic 80s drums to modern and energetic ones, from synthesizers that have analog ambiance to more distinct and clear drums!

You'll also receive an additional 18 Serum Presets to help you create your own songs, ranging from classic bass lines to groovy synths! The best part is that all demo track vocals included in the collection (both dry as well as wet) are recorded using high-end equipment and vintage gear!

"Physical" is perfect for Pop, Disco Pop, and Synthwave producers, which includes the upcoming House scene! If your favorite artists are The Weeknd, The Midnight FM-84 Dua Lipa Justin Bieber, Bob Sinclar, LeBrock and 1975, Timecop1983, or 1975, this pack is for you!

The future is now. salute the past download the free sampler pack to be the first to incorporate the sound of the past in your productions! It's the best way for you to stand out and be unique and become an excellent producer!
