Overloud TH-U Premium v1.4.30 (Win): TH-U stands out as the sole amp simulator that seamlessly integrates modeling, capturing, and IR processing functionalities within a single plugin, compatible with both computer and mobile devices. Elevating its capabilities further, the software can be enhanced with an expansive array of add-ons, boasting the world's largest collection, encompassing 28,000+ Captured Rigs and 42,000+ Real IRs.

Experience a revolutionary advancement in amp simulation! Access the most extensive collection right from your computer or mobile device, featuring cutting-edge amp modeling and capturing technology.

- Immerse yourself in 89 guitar amplifiers and 4 bass amplifiers.
- Choose from 50 guitar cabinets and 2 bass cabinets for a diverse sound palette.
- Elevate your tone with 83 pedal and rack effects, including a variety of options for customization.
- Explore 18 microphone models, with the ability to use up to four mics on each cabinet.
- Access over 1000 presets spanning across all musical genres, with additional FREE PRESETS delivered monthly.
- Authorized models from Randall®, DVmark®, Brunetti®, and THD® ensure authenticity.
- Utilize Amp Tweak technology to modify amplifiers by adjusting preamp and power amp tube models, as well as simulating variac action.
- Engage the Rig Player, featuring 20 factory rigs, to replicate real setups through advanced capturing technology.
- Discover a dedicated preset bank for bass enthusiasts.
- Benefit from 4th generation analog emulation technology, incorporating a proprietary nonlinear processing algorithm.
- Experience advanced cabinet emulations using Fluid Convolution and ReSPiRe 2 technology.
- Harness the power of a built-in convolver to load external guitar cab IRs.
- Customize your sound chain with a split point for parallel processing.
- Enjoy fully customizable MIDI control for live performances.
- Access an extensive collection of 28,000+ Captured Rigs and 42,000+ Real IRs from the world's largest add-on collection.
- Redefined amp simulation awaits you, offering unparalleled flexibility and an immersive musical experience.
