REELBURN – Polaroid FX: Introducing the Polaroid FX Pack—a comprehensive set of drag-and-drop transparent Polaroids that seamlessly blend with your images, providing an authentic vintage feel to your digital captures.

Picture Collage Transitions: Each transition is thoughtfully crafted to visually bring your projects to life, providing a dynamic and engaging element to your storytelling. Compatible with Premiere and After Effects, each transition is delivered as a 4K pro res file with an alpha channel, ready to integrate into your timeline seamlessly.

Technical Characteristics: Crafted through extensive testing and experimentation, these Polaroids and transitions are designed for simplicity—drag and drop your footage into your timeline and achieve the desired vintage look.

Elevate your projects with the Polaroid FX Pack, an all-encompassing toolkit that effortlessly brings an authentic vintage vibe to your digital creations.

- **Realistic Polaroid Aesthetic:** Recreate the charm of old vintage Polaroids with a digital twist. These transparent Polaroids look remarkably authentic, adding a nostalgic touch to your projects.
- **High-Quality Resolution:** All assets in this pack are delivered in stunning 4K UHD ProRes 422 Quicktime format, ensuring crisp and detailed visuals.
- **Extensive Variety:** Choose from 35+ variants of Polaroids, allowing you to find the perfect style that complements your creative vision.
