### Aescripts Rapid Reel Composer v1:

Rapid Reel Composer by Kupu Creative Media is an After Effects tool that simplifies video editing, specifically for creating social media reels, short videos, and tutorials.

Users can split long footage into shorter clips by placing markers, eliminating the need for manual trimming.

Two main modes are offered: the *In-Out* method for precise clip trimming and the *Lazy* method for automatic trimming.

Other key features include automatic marker placement, batch marker transfer, time-stretching, and integration with Adobe Premiere Pro.

The tool is designed to streamline the workflow, saving time and enhancing efficiency for video editors.
