This is my most comprehensive brush set and includes all the brushes I sell. The pack contains 1098 brushes of top quality that are included in this pack. each one is distinctive and is not a duplicate of the same brushes. It is also possible to study each brush individually, and each of them is available on my website. If you purchase this bundle you will save over \$150.

### You will receive:

- Magic Forest Brushes (50)
- Realistic Poses for the Body Stamps (50)
