Clean Fashion Slideshow - AE Project VH-33234390: The template for this project is a quick slideshow that includes 8 placeholders for media (support any kind of media, including video, image or audio.) and 16 textholders, each with large smaller and large text. It could be used for an image of your website and is ideal for your showreel, production video opener, tv show and photo/video slide shows. Each scene comes with a controls that let you modify your project in the way you want, switch on/off components, etc.

Clean Fashion Slideshow is modular in structure, so you can easily add/delete additional scene to your video.Just drop the image or video then modify the text, add sound and be amazed by the results.
