#### Some Time Later Scenes for Premiere Pro VH-53653288:

The "Some Time Later Scenes for Premiere Pro" template offers a collection of hand-drawn, colorful animated scenes in a cartoonish style, inspired by the ocean floor with water waves and stylized, editable texts.

Users can easily adjust colors with built-in controllers and customize texts using placeholders.

This template is ideal for creating fun and engaging video projects, social media content, and intros, adding a vibrant and fluid 2D animation and oceanic patterns to presentations.

It features 4K resolution and is compatible with Premiere Pro 2021 and above.
