Bust a Move! Animate Fluid Character Movement in Procreate Dreams: Discover the magic of animation with Procreate Dreams! Join us as we dive into the exciting world of character animation using Procreate's innovative new app, all from the comfort of your iPad. In this class, we'll guide you through creating a lively dancing character entirely within Procreate. We'll cover everything from importing existing artwork into Procreate Dreams to mastering frame-by-frame animation and keyframes. Learn essential techniques such as easing and timing and how to achieve seamless looping motion to bring your artwork to life like never before. Whether you're a seasoned digital artist eager to explore animation or simply curious about Procreate Dreams, this class is perfect! While we'll touch on some illustration basics along the way, having at least some familiarity with digital artwork creation is recommended.

All you'll need to get started is:

- An iPad and Apple Pencil
- Procreate app
- Procreate Dreams app
