Wounds and Scars Overlays CreativeMarket - 5326626: Are you looking to add a bit of authenticity to your photographs?

Please take a look at look no further than our Wounds and Scars overlay collection. They are great for photographers, designers, and artists who want to add authenticity and character to their work. If they tackle a film or game or need a better authentic portrait, these overlays can bring you to the highest level.

With various scar and wound types, including bruises and cuts to burns and bullet holes, There's a good chance you'll locate the correct overlay to complete your project. Additionally, the overlays are simple to apply; layer them over a current image for immediate results.

So why put it off? Use the Wounds and Scars overlay collection to bring authenticity to your projects today!

- Eighteen photo overlays with high resolution (300dpi PNG) with transparent background. To view the dimensions of each photo, check out the final preview)
- Compatible with all software that lets you use layers (Photoshop, Photoshop Elements, Paint Shop Pro, PicMonkey, Gimp, etc.)
- A note to Lightroom users - you will require a plugin that uses layers. You can also use PicMonkey's Photo Editor after you have edited your image within LR.
- Very easy to make use of!
