Renom - Fashion Event Package - AE Project 11735696:

**This template can be used for** Fashion events, magazine promos, fashion tv shows, night parties, or any other special event that you wish to make shine. Make your magazine demo reel and present your portfolio, corporate opener, or application promo. It can be used for TV shows, to design your broadcast packs, awards packages, or just to show your media some glamour. You can create a slideshow about travel, company history, explain a brand, or a tutorial. It can be used for any type of event. You can create videos for YouTube, Vimeo, or any other media hosting site. Video can be placed on Facebook, Twitter, Instagram, or any other social network to impress your friends.

**Renom - Fashion Event Pack** This template is high-quality, well-organized, and easy to customize. The project is modular so that you can change the duration. Video tutorial is included in the project. Even if you are not familiar with After Effects, you will be able to complete your job quickly. Drop your image or video and edit the text. Add audio to enjoy the final result.
