A COLLABORATION WITH DAWN PHOTO

When Morning original shared her vision to your Campfire Presets, She did like she was discussing something sentimental and truly significant to her. A panoramic view of childhood memories indicated by sunrise hikes, Invigorating swims in temperate lakes, and fireside nights camping under Immense jungle heavens. It was obvious that she understood this landscape and Her different earthy, romantic, and adventurous editing fashion are the perfect Guide during our creative procedure. The end result: An unbridled repeat of Nostalgia blown into the breeze of ease.

This collection Enables You to hone in and observe the miniature Details of minutes with character-rich tonality. Think Prussian blue and Persimmon sunsets lofted supporting a mountain range. Think bold glowing blue Sky as you float up swimming on a hot summer afternoon. Think lively yellows And spirited oranges peeled out of a campfire among grainy woodsmoke wafting Throughout the atmosphere. But do not just take our word for this. The Campfire Presets, such as all inspirational views, is much better experienced than explained

Campfire Presets includes 2 color presets, two BW presets, A Warm Gradient, and 3' habit'Film' Creative Profiles (please see * below for compatibility). Each color preset features a Film variation with Dawn's signature picture Vibe and classic warmth.

The before and after pictures below demonstrate how every preset Manipulates a picture with equal white balance and exposure.

*All these preset ONLY utilize Lightroom Classic CC (variant 7.3 or later), Lightroom CC (version 1.3 or later), and Adobe Camera Raw (version 10.3 or later). For earlier versions, upgrade your editing software To satisfy the necessary specifications.

**Please be aware these presets are made for RAW images Only and are compatible with all the software variations above.

***All these are Desktop Presets(not Mobile Presets).
