The presets we use are evaluated on various types of images. Be aware that all photos are unique, so each preset will work differently with every photo. We're certain that these presets will leave you in love with them and make your photos have a distinctive style. You'll only need to add the final touches with small adjustments like changing the brightness to adapt the image and give them a perfect look.

The images we display aren't our own and their owners own the intellectual rights to use them. We pick these photos to illustrate what the various designs of your photos can be achieved using our presets.

Exchanges/Returns Due to the electronic nature of this product we are not able to provide refunds. But the satisfaction of our customers is our top priority. If you're unhappy with the set of presets, please write us a note and we'll be able to discuss it and discuss ways to modify it to meet your requirements.
