

### Master Collection Photoshop Brushes CreativeMarket-4479251 (ABR)

2025-02-10 17:02:27 label 我要反馈 下载页面

The complete collection of brushes that can create amazing artwork is now available. The collection includes watercolor brushes such as soft pastel ink, gouache, colored pencils, and many more.

The brushes are crafted from the most thorough investigation of every technique. The brushes are designed not only to have the same appearance but also to offer the same work technique between manuals and computers.

You can utilize them to create illustrations from scratch, retouch scan illustrations, or create sources for animated images, backgrounds masks, and a myriad of other applications that blend the power of digital and the warmth of hand-crafted work.
