Colorful Corporate (Motionarray 792523): Colorful Company is a sleek looking and simplistically revived After Effects template which employs a stunning mixture of results to show and boost your media. It comprises 8 text placeholders and 5 press placeholders. You are able to use bright color control to make a few intriguing outcomes. It is really user friendly and it works nicely with photographs and movie clips. Inform your audience with this professionally equipped and animated AE template. No plugins needed.
