BUNDLE – Dry Flowers & Leaves

2025-02-10 17:06:43　　label 我要反馈　　下载页面

This collection consists of dried and pressed flowers along with leaves and other plants. With much perseverance, we were able to take pictures and cut each tiny flower and leaf. This collection has a large assortment of flowers in different colors as well as autumnal and green leaves, and even herbs.

This amazing Bundle of components (more than 220) can save you time and money, and you are able to concentrate on the end result that is the most original and satisfying aspect.

Make stunning patterns, headers for websites, Etsy, Instagram, Facebook, or Behance projects by simply dropping and dragging objects in Photoshop and Canva (Any program that can support using the PNG Format). It can be used to create stunning web headers, display your print work, and spread the word via social media.

COMPATIBILITY

- Any application that supports the PNG format.
- Supports: Adobe Photoshop, Adobe Illustrator, After Effects, Adobe InDesign, Adobe Photoshop Elements, Sketch, Adobe XD Other
