### "Lovely Photo Slideshow" Samples:

Ideal for showcasing cherished memories from events like weddings, travel, and holidays, this project offers a quick, modern, and elegant photo gallery suitable for family albums, anniversaries, and celebrations. Key features include no plugin requirements, color control, universal expressions, and full HD resolution (1920x1080).

It is editable in After Effects CS5 and above, with included instructions. The project offers various versions with different durations and capacities, ranging from 1:10 to 5:50 seconds, supporting a range of 18 to 99 main photos and corresponding texts. Two visual styles, "Bokeh" and "Shimmering Dust," are available to enhance the slideshow's appeal.

### Package information

This After Effects template, compatible with versions CC, CS6, CS5.5, and CS5, was last updated on March 31, 2022, and initially published on March 22, 2022. It includes project files, video files, and image files.
