

10 Photoshop Action Girl Lifestyle By EpicoMedia (atn, xmp, cube)

2025-02-10 17:03:42 label 我要反馈 下载页面

This product is exclusively made for girls. Our experts made it because girls are naturally happy and have a desire to use this color spectrum. This project's pink theme is the basis for its construction. Live happily and be happy LUT can be used in many software, including premiere pro, After Effects, Final Cut Pro, DaVinci, and DaVinci.

Included:

- 10 Photoshop actions (.atn)
- 10 ACR presets in .xmp files
- 10 LUT presets in .cube files

COMPATIBILITY

- For Photoshop Actions: PhotoshopCC and higher (with Adobe Camera Raw 6.6.6 or later)
- ACR Presets Photoshop CC or higher (with Adobe Camera Raw 6.6.6 or later)
- For LUTs presets: All Graphics Software can be used with LUTs Presets such as Adobe Photoshop and Davinci Resolve.

What is Photoshop Action Girl Lifestyle?

Photoshop actions or filters designed to enhance or modify photos with a particular style or theme associated with a "girl lifestyle." These actions could include adjustments to colors, tones, lighting, and various effects to achieve a specific look in photos, often aimed at lifestyle or fashion-related imagery.
