Alister Benn – The Colour of Meaning: Discover landscape photography's profound emotional and therapeutic aspects with Alister Benn's insightful eBook, "The Colour of Meaning." Delving into the depths of colour psychology and its impact on photography, Benn challenges readers to reconsider their relationship with the familiar, often overlooked element of colour.

This eBook is perfect for you if:

- You aspire to infuse specific feelings and emotions into your landscape photographs.
- You seek to explore the emotional significance of colour in photography.
- You are eager to learn about colour in landscape photography from a fresh perspective.

What You'll Learn:

- The Emotional Spectrum: Understanding how your images reflect your moods.
- The 5 Triggers of Engagement: Exploring the motivations behind your photography.
- The Emotional Fingerprint: Capturing the essence of how the landscape feels.
- Color & Luminosity: Deciphering the landscape through its hues and brightness levels.
- .. and much more!
