Perfect Oils. 24 PHOTOSHOP Oil Brushes: Since 2011, I've been creating the Mixer brush presets, working on different art forms, and trying to achieve the feel and feel of oil paints, which I adore. Furthermore, I wanted my digital paintings to be varied visually and technically. This Tool Set includes my six years of practice with digital oils that I have learned from my experience working with oil paints that are real.

IMPORTANT! The Tool Set is only for Adobe PHOTOSHOP Version CS5 and newer versions !!!! (older versions don't include the Mixer Brush Tool as of yet).)!!!!

How can we create digital paintings that closely resemble traditional oil paintings?

You can use "Perfect Oils. 24 PHOTOSHOP Oil Brushes".

Where can I download the product?

After subscription, You can download it for free from here.

Gfx plugin details of Perfect Oils. 24 PHOTOSHOP Oil Brushes

The product is in the **Photoshop category**, for more information about this post you can click on the home page link in the sidebar.

To search for similar products to Perfect Oils. 24 PHOTOSHOP Oil Brushes,

You'll receive a ZIP archive that contains:

- TPL (Adobe Photoshop Tool Presets) File with 24 "The Perfect Oils" Mixer Brush presets.
- The PDF includes "How to install" and "How to set up and use" tips.

- Realistic oils and Acrylic paints that are imitation
- Simple color blending
- Liquid/soft paint sensation
- Mixing new colors directly into the existing (like the actual oil painting)
- Brushes to express or soft painting techniques
- Paints more realistically
- Sketching life-like and painting process
- It helps to form a unique painting style
- Rich creative opportunities

How to install

1. Launch your Photoshop copy. Please make sure you use the **version CS5 or newer**.
2. Activate the **Mixer Brush** tool (It is in the same tool slot as the usual Brush).
3. Find the same Mixer Brush icon on the **Options palette** at the top of the Photoshop interface under the main menu. It's the first icon with a little arrow. Click it and find the arrowed button in the top right corner of the opened tools list. Then choose **"Load Tools Presets..."** as shown below.
4. In the opened browsing window find the folder where you unzipped the downloaded Toolset (The Perfect Oils by EldarZakirov2017.tpl file) and choose it to load it into Photoshop.

What is Perfect Oils. 24 PHOTOSHOP Oil Brushes?

"Perfect Oils. 24 PHOTOSHOP Oil Brushes" is a digital toolset created by an artist with over a decade of experience, specifically dedicated to replicating the texture and feel of oil paints within Adobe Photoshop. Having started this project in 2011, the artist aimed to capture the essence of oil painting and bring that nuanced quality to digital artwork. The Tool Set is a culmination of six years of hands-on practice and learning from working with real oil paints.
