Modern App Promo (Videohive 25401756) - AE Project: Elevate your new app presentation with this dynamic and powerful project. Whether you're showcasing your Android and iOS app showreel, creating a mobile promotion, or demonstrating UX/UI features, this template is designed to impress. With high 3D render quality, fast rendering, and a versatile, universal design, it's perfect for various purposes. Enjoy easy color customization, work with images or videos, and benefit from the well-organized structure.

This project offers full HD resolution, is 100% After Effects, and runs at 30 frames per second with a duration of 50 seconds (adjustable). No plugins are required, and it's compatible with After Effects CS6 and above. The package includes a tutorial for easy use, and the author provides support. With 19 holders for content and 13 for titles (expandable by duplication), this template is your go-to for a stunning app presentation. Note: Images are not included in the package.
