Christmas Over the City For AE:

Christmas and New Year in the Town!

Light particles at a night sky forming a Xmas tree, over a modern highrise skyscrapers city! (Seeking New York City -- Boston -- Shanghai -- Melbourne, etc)

Great way to ship your Holiday Greetings & fantasies, especially for Construction buildings businesses, architectural designers, international travel Brokers, realtors, and property agencies!

- Easy to substitute Logo And greetings text
- Use your favorite fonts or those from the trailer movie!
- The footage is pre-rendered, or so the rendering is super quick!
- To edit & personalize the movie you want Adobe After Outcomes CS6 or newer CC variant (Render even using all the trial version!) No need for additional plugins
- Video tutorial with voice & brief written aid guide is also included!
- SFX is comprised but Great Music isn't included.
