Event Promo (Videohive 23633391) - AE Project: If you're planning to advertise any events that are special to your start-up company, startup or company, this template that is easy to use is a perfect choice. You can download the After Effects template for so many reasons. The fonts are large and able enough to read and easily spotted with a reasonable amount of time delay for the text's representation. This modern and exciting promotional event has also taken the benefit of subtle colors and transitions.

- 100 percent After Effects
- It is suitable for both Videos & Images
- No plug-in required
- After Effects CS5 and above
- A video tutorial is also included.
- 4K, 2K, and 1080P Resolution
- Link to free font included.
- Easy to edit and well-organized
- Universal Expressions (Works with any language that is part of After Effects)
- Full-color controls for titles and other elements
- 38 Media Placeholders
- 26 Text Placeholders
- The audio file isn't included.
