Faded Earth Tones Lightroom Presets By PhotoMarket: The product includes five main presets that give the faded earth look. Each preset has a different focus. Each preset has been thoroughly tested to work well with a variety of images. You will also find 4 grain presets and 5 vignette presets that can be used to enhance your photos. The vignetting effect is a great way to make a difference.

Each preset is intended to be used as a starting point. It is important to first fine-tune the settings, including Exposure, Color-Temperature, and Blacks and Whites, under the "Basic" panel.

- Compatible with **Adobe Lightroom 5, 6, Classic CC, and 4/5** Both Macintosh and PC
- All presets work with **RAW and JPG** Images
- Digital download immediately after purchase
