### Film Look Overlays (Videohive 55225730):

The Old Film Overlays template provides creators with a powerful and user-friendly solution to give their footage a nostalgic, vintage film aesthetic. Designed for After Effects CC2020 and newer versions, this template allows for easy application of classic film effects, emulating the look and feel of film from different eras. Ideal for filmmakers and video editors, the overlay pack offers modular customization with features that allow for creative control over details like grain, scratches, and light leaks, making it easy to capture the aged, retro essence of old film.

- **Modular Effect Structure:** Easily customize effects to suit your specific aesthetic preferences.
- **Multiple Aspect Ratios:** Includes 4K, HD, Square, and Portrait formats for versatile project compatibility.
- **Compatibility:** Works with After Effects CC2020 and above; no plugins required.
- **Universalized Controller:** Ensures compatibility across different language versions of After Effects.
- **Video Tutorial:** Detailed instructions with voice-over for smooth and quick learning.

### Controls:

- **Start Effect Drop-Down:** Choose from various starting styles for instant vintage vibes.
- **Black & White Slider:** Adjust the monochrome level to achieve different levels of antiquity.
- **Color Adjustment:** Fine-tune colors for specific vintage color grading.
- **Shake Sliders:** Adjust vertical and horizontal shakes for added movement and authenticity.
- **Grain, Hairlines, Stains, Light Leaks:** Add these classic elements to evoke the feel of the aged film.
- **Defocus, Scratches, Dust:** Apply effects to replicate film degradation for a complete retro look.

This template is a comprehensive toolkit for achieving an authentic old film style, complete with easy-to-use customization options and a variety of detailed controls.
