

Education Explainers for After Effects (Videohive 50741948) - AE Project

2025-02-10 16:37:17 label 我要反馈 下载页面

Education Explainers for After Effects VH-50741948: Introducing "Education Explainers," a dynamic template that simplifies educational concepts through 4 animated typography scenes. With customizable colours and editable text, this template is perfect for creating explainer videos, social media content, and academic presentations. Its clean, flat design, complemented by hand-drawn characters, lends itself well to promotional materials, modern advertisements, and conferences. Whether for corporate training or classroom learning, this versatile template brings clarity and vibrancy to the complex subject of education.

- Four education explainers with one logo placeholder
- Full control over colours
- Includes links to fonts used
- Comprehensive video tutorial for easy editing
- Compatible with After Effects 2019 and above
- No plugins required
