

Memory Catchers – The Wildling Collection

2025-02-10 17:14:14 [label](#) [我要反馈](#) [下载页面](#)

Do you want to imagine Earthy-toned edits that are instant drama and depth? I feel you.

Welcome to the Wildling Collection.

These powerful presets convey all the energy, and more importantly, they're extremely easy to use. The Wildling Collection is frequently called by her pals "Wildling and the Vibes It combines modern convenience with a touch of nostalgic times of the past. In the collection, you'll find warm, warm mahogany-toned friends and other cool and crisp companions and all with the earthy quality that we've all come to love.

Gfx plugin details of Memory Catchers – The Wildling Collection

The product is in the **Lightroom category**, for more information about this post you can click on the home page link in the sidebar.

The Wildling Collection is suitable for both outdoor and indoor use.

Weddings are a celebration of love that creates a romantic, sweet romance with your flowers, and they'll snuggle with your little one on the couch, too.

Important: THE WILDLING PRESET Collection is only compatible with LIGHTROOM VERSIONS 7 and newer (XMP file). There is no LRTEMPLATE version of these presets, since the older versions have been replaced. If you currently use an earlier version of LR 6, you must update your lighting room to use these presets.

The Wildling Collection contains 16 beautiful presets that work with Lightroom and ACR along with three additional presets to help with Noise reduction and grain choice.
