1.
2.

The **5 Lifestyle Lightroom Presets Filter** is designed to infuse your photos with a cozy, boho ambiance. This collection, tailored for both Lightroom Mobile and Desktop, features olive-toned filters ideal for outdoor escapades, family autumn outings, newborn shoots, fashion statements, weddings, and couple portraits.

### How to edit your images with an olive color filter in Lightroom?

You can use "5 LIFESTYLE LIGHTROOM PRESET FILTER" to make your images more beautiful.

Included are 5 Mobile Lightroom Settings (DNG files) and 5 Desktop Lightroom Setups (XMP files), accompanied by comprehensive instructions in a step-by-step PDF guide.

### "5 Lifestyle Lightroom Presets Filter" Samples:

Compatible with Adobe Lightroom versions 4, 5, 6, Lightroom Classic CC, and the Lightroom mobile app, these presets support Adobe Raw, TIFF, and JPEG formats, promising seamless integration into your editing workflow. Elevate your imagery and evoke a warm, inviting atmosphere with these versatile presets.
