Guitar proficiency is not required

IRON caters to musicians of all production levels. Seasoned artists and composers will be captivated by its superior sound quality, while beginners will appreciate the frustration-free design that accelerates workflows and enhances the creative process.

What's Included:

- NEW: Instrument mode featuring freshly recorded samples and phrases
- 30 Styles, encompassing over 350 Phrases
- 30 Stompbox emulations, along with 60 Finisher FX Modes
- Drop D and doubling modes to add extra thickness and depth

Harder, Louder, and Simply Better

- Effortlessly craft realistic rock guitar tracks in record time. Intrigued? Listen to some examples...

Integrate the Axe

- Fine-tune your tone using classic guitar stompbox effects featuring exceptional wah, delay, chorus, and reverb. Give your tracks the ultimate polish with dedicated Finisher multi-FX.

A True Rocking Workhorse

- Virtual Guitarist IRON is an incredibly versatile beast from subtly distorted tones to full-blown aggression. Boasting over 350 unique phrases in 30 diverse styles, it showcases expertly sampled performances from a top-tier session musician. Drop D tuning and doubling options are at your fingertips for those seeking extra weight in their guitar parts.

Band Harmony

- IRON seamlessly meshes with Virtual Bassist ROWDY and Virtual Drummer BRUTE, forming an incredible backline trio for your hard-hitting rock compositions.

IRON's user-friendly interface ensures you can effortlessly record high-quality tracks in a flash.
