**Super Simple Slideshow - AE Project VH-11462220:** The Super Simple Slide Show After Effects Template allows you to quickly display your photos and videos. Available in HD1080 and 4K

Animations have a transition at their beginning and an end. This allows you to overlap scenes however you like in order for the video to be more dynamic. You can future-proof your project by making a 4K version. It renders super fast!

This video template includes 60 placeholders and 8 animated text scenes. A HD1080 version of the file is also available. You can edit and re-arrange the entire file with its modular structure.

Global color controls can change the color and opacity of the entire project. Every animated text scene includes a control panel that allows you to change the background, text color, height, width, and opacity.

- 60 Placeholders to Use in Photos and Videos
- 8 animated text scenes
- Video Tutorial included
- Closing Scene with Text and Logo
- No Third-Party Plugins
- Fast Render
- Versions for HD1080 and 4K included
- Adobe After Effects CS4 (and all subsequent versions)
- 1.05 TRT

**This video tutorial will show you how to:**

- Replacing Videos or Photos
- Replace logo and closing text
- Introduce you to Control panels
- Place placeholder photos and videos on for longer than 3 seconds
