17 Colorful Shape Transitions Pack – Motionarray 780446: 17 Colorful Shape Transitions Bundle is flexible After Effects template that's been full of happiness. We really enjoyed producing it. They are really simple to use and every individual component includes its own color control. It's possible to use them on your own presentations, slideshows, TV shows, commercials, ads and promotions, events, Facebook, and YouTube videos. Inform your audience for this wonderful AE template. Offered at 4K.
