Oille Moon Display Serif Creative Market - 14655873:

Oille Moon Serif is an elegant and sophisticated typeface that combines classic serifs with modern refinement. Its balanced spacing, tapered serifs, and versatile design make it perfect for a variety of projects, from editorial design to branding.

The font includes numerous glyphs, ligatures, and alternates, and is compatible with both PC and Mac. It works across popular design software like Adobe Illustrator, Photoshop, and InDesign, as well as Microsoft Word. With multilingual support and PUA-encoded characters, Oille Moon Serif offers accessibility and ease of use for a wide range of typographic needs.
