Ultimate Instagram Bundle + Updates: After the release of 30 different Instagram story templates and post packs, I think it's the right time to release the release of the ULTIMATE bundle that combines the entire collection together for an incredible cost. The current bundle comprises 877 Instagram stories and post templates. As part of the package, you'll also get all subsequent stories and posts in addition.

However, that's not all. The package contains over 1000, that's right, OVER ONE 1,000 hand-drawn elements, watercolor drawings designs, foliage foils, overlays, and some amazing hand-drawn designs that will make your Instagram profile distinct and distinctive.

Also, as part of the bundle, you will receive:

- 472 Instagram Story Templates Static
- 195 Instagram Story Templates with Animated Images
- 280 Instagram Post Templates for Static Instagram
- 170 Instagram Templates for Animated Posts
- All future Instagram templates for stories and posts are available for free
- More than 1000+ hand-drawn Elements
- 20 hand-drawn Photoshop patterns
- 3 Background Foils Rose Gold, Gold, and Silver
- Modern & Creative Design
- Completely Layered and Organized Files
- Included are Mood-Board Designs
- It is compatible with Adobe Photoshop CS6 and Photoshop CC.
- Fonts not included, however, can be downloaded easily from Google Fonts
- Images not included
