**CRT TYPE KIT – Tropic Colour:** Tropic Colour has partnered with graphic designer Derek Yancey to bring you the top CRT TYPE SET currently available! It's now easier than ever before to create typography that has nostalgia and a reminiscence! Drag and drop the CRT TYPE KITCHEN directly into Premiere Pro or FCP or After Effects... and start making!

There is no need to pay for or use clunky drag-and-drop single-letter CRT fonts/assets to spell titles and words. Just transform any font you can find within your editing software to the classic CRT style using complete options for customization using our Digital CRT FONT PLUGIN toolkit!
