Singomakers Underground Tech House (WAV): Singomakers is thrilled to announce their latest release – an exciting underground tech house sample pack!

Drawing inspiration from leading artists like Mochakk, Tita Lau, CLoonee, James Hype, Victor Lou, R3WIRE, Matroda, Solardo, Sidepiece, and more, this pack is designed for dancefloor domination. Dive into a collection of techy top loops, lively basslines, captivating lead melodies, chopped vocal hooks, SFX, and an array of drum & perc one-shots. For a detailed breakdown, refer to the specifications below.

If your goal is to land your tracks on labels such as Insomniac, Dirtybird, The Myth of NYX, Nervous, THRIVE MUSIC, Sweat It Out, SOLOTOKO, Black Book Records, Sink Or Swim, Hood Politics Records, In Rotation, LOW CEILING, and Glasgow Underground, the Underground Tech House sample pack is your key to success!

But that's not all – Singomakers has sweetened the deal with a promo/discount folder. Inside, you'll find links to free sample packs and codes for their acclaimed plugins, including Faturist, Kick Tweak, Fatmaker, Magic Stereo, Phat Booster, and Crystal EQ. Trusted by thousands of producers and sound designers globally, these tools will enhance your creative process.

Experience the vibe with the demo track and secure your copy of Underground Tech House by Singomakers before it sells out!
