The collection includes 65 beautiful vectorized images of Greek gods goddesses, deities, goddesses, and mythological characters.

By using these illustrations, you can create stunning logos and branding, embellish packaging, create patterns, and help your designs stand out.

The files are available in PNG format and raster format as well in vector format and can be used for print as well as digital projects.

The illustrations are from my own collection of books and it was an enormous amount of effort to make them available to the digital realm with this quality. I hope you'll enjoy these illustrations.
