Magic Energy for After Effects VH-50947779: Introducing "Magic Energy," an awe-inspiring collection of smooth and realistic VFX explosions and blasts. These magical energy elements offer adjustable colours and customizable glow effects for an added touch of brilliance.

Ideal for cinematic intros, epic animations, or any electrifying project, these effects can transform your creations into dazzling spectacles. The possibilities are endless, from dust-filled vortexes to thunderous light displays, from gentle sparkles to full-on electric fireworks.

- Stunning 4K resolution for crisp detail
- Easy adjustment of colours to suit your vision
- Comprehensive effect controls for seamless customization
- Help file included for guidance
- Compatible with After Effects 2019 and above
