Magic Sparks Overlays CreativeMarket - 5326473: The Magic Sparks Overlays, an assortment of unique, high-quality overlays that can give a magical touch to your images.

These overlays are great for special effects and fantasy photography. They can be added to any photo using a simple click and drag. Each overlay is distinct and offers a broad choice of options, allowing your images to stand out.

These overlays can take your photos to a new level, from subtle glowing sparks to stunning explosive explosions. They're also compatible with every editing program so you can use them regardless of your program.

Don't choose boring, bare photos when you could add an element of magic using the Magic Sparks overlay.

- 29 photo overlays with high resolution (300dpi PNG, with transparent background. To view the dimensions of each photo, check out the previous preview)
- Compatible with all software that lets you use layers (Photoshop, Photoshop Elements, Paint Shop Pro, PicMonkey, Gimp, etc.)
- Attention Lightroom users - you will require a plugin that works using layers. You can also use free software like PicMonkey's Image Editor to edit your photos within LR.
