HUD Medical Virus 2 - AE Project VH-53665464:

The HUD Medical Virus 2 pack is tailored for medical interface design, featuring one professional HUD display screen and over 30 HUD elements.

It is well-organized with all main screens and assets grouped into folders for easy access.

Designed with After Effects shape layers, the vector-based elements are easily editable and resizable.

The pack includes a Smart Color Controller for quick global or local color adjustments.
