What is Exclusion Zone (Cinematic Pack) (Videohive 28069795) - AE Project?

Exclusion Zone (Cinematic Pack) (Videohive 28069795) - AE Project is designed for filmmakers, especially those interested in horror or suspenseful genres. The inclusion of 32 photos from the Chornobyl Zone adds a unique and potentially eerie touch, given the historical and atmospheric associations with that location.

The variety of elements, such as animated backgrounds, blood splatter effects, glitch transitions, overlays, and exclusive presets like extended shake and chromatic aberrations, make it a versatile toolkit for creating a cinematic and chilling atmosphere. The fact that it provides different teasers of varying durations allows for flexibility in use, whether it's for a full-length project or shorter promotional clips.
