Awards Show Package V1 (Videohive 23186883) is a comprehensive After Effects template designed for creating professional awards show presentations. It includes various elements such as an opener, bumper, slideshow, screens, lower thirds, transition, and credits, all arranged in a modular structure for easy customization.

How to make a video by adding images or video, text, and sound?

You can use "Awards Show Package V1 (Videohive 23186883)" in After Effect.

The project supports Full HD resolution (1920×1080) at 29.97 fps and is compatible with After Effects CS5.5 or later versions.

Notably, it offers color control without requiring additional plugins.

The package does not include photos, fonts, or audio files, but a PDF help file is provided for user guidance, ensuring straightforward usage and customization.
