COPYFRAMES

Tired of fiddling around with all the leave queue to export PNGs? Streamline a procedure that used to take up ten clicks by copying straight to a clipboard in a single click! The fastest method for sending your visitors the snapshots they require!

PASTEIMAGES

How come nearly every other Adobe program allows users to Paste pictures in the clipboard? We do not have the answer to this, but we sure have the option! Paste pictures into AE straight out of the clipboard and save a lot of time. Quit saving documents to your desktop computer and begin pasting them!

- Duplicate the present frame to your clipboard
- Utilize the render queue to get higher quality copies
- Glue pictures straight into AE in the clipboard
- Transparency encouraged with both copying and pasting
- Get coworkers previews faster than ever before
- Save a Lot of time by not saving pictures in order to import the
- Bury the Render Queue at a ditch
