Some Time Later Scenes for After Effects VH-53336634:

"Some Time Later Scenes" is an After Effects template offering a vibrant collection of hand-drawn, colorful animated scenes in a cartoon style, depicting oceanic themes with water waves and editable text placeholders.

Ideal for enhancing video projects, social media content, and intros, it features easy color adjustments using controllers and customizable text placeholders.

The template supports 4K resolution and includes a video tutorial for seamless usage.

Compatible with After Effects 2021 and newer versions, it includes a link to the font used for further customization.
