BEATS24-7 Heavens Gates Hip Hop Trap (Construction Kits): Explore the sonic realm of "Heaven's Gates" from Beats24-7, a collection packed with fresh, epic sounds and melodies essential for crafting professional beats. Dive into 5 cutting-edge Trap Beat Construction Kits inspired by industry heavyweights such as Kevin Gates, Meek Mill, Travis Scott, Future, Drake, Logic, Nicki Minaj, London On Da Track, Metro Boomin, Gunna, and more.

Each Beat Kit is meticulously crafted, featuring powerful 808s, expertly processed synthesized sounds sourced from top-tier VST plugins, custom vocals, and impactful drums. Offering flexibility and enhancing your creative process, MIDI files and Key & Tempo labels are provided for each kit.

With a simple drag-and-drop approach, integrate MIDI and WAV files into your preferred DAW, fine-tune your sounds and drums, and generate compelling hits in minutes. This comprehensive pack ensures a hassle-free experience, granting you the freedom to use all elements in your productions without worrying about royalties.

Whether you're a budding producer or an experienced artist, this pack provides the perfect catalyst for your musical journey. Preview the Demo to experience it firsthand and secure your copy today!
