This listing shows a mockup of a pair of socks featuring a black toe and heel with a 7-inch cuff. This mock-up shows the right and left sides of the sock. You can give your socks a professional look without having to photograph each pair. You can use our sock template as is. Simply add your art files and background.

This digital file is available for instant download and includes everything needed to create professional-looking photographs.

**The following file formats are available for download:**

- Photoshop CS/CC.PSD files. Smart Objects can be used to set up files. To paste your image, double-click the layer marked in Red.
- PS Elements file. Copy your image to the layer "place your image there".
- PNG files. This version shows the socks against a white background. The transparent window has been cut out of the front area.
