What is Instagram Stories Pack V2 (Videohive 23199973) - AE Project?

"Instagram Stories Pack V2 (Videohive 23199973)" is an After Effects (AE) project file available on the Videohive marketplace. These project files are typically created for video editing and motion graphics purposes.

It's a collection of templates or elements designed for Instagram Stories, which are short, vertical videos or images commonly used on the Instagram platform.

AE project files like this contain pre-designed graphics, animations, and effects that users can customize to create their Instagram Stories content. Users can edit text, insert images or videos, and adjust parameters to fit their branding or creative needs.
