In the "" course, Kevin Dockx guides you through the process of building powerful APIs with ASP.NET Core. Beginning with the basics, you'll learn the core concepts of API development, including data retrieval, manipulation, and dependency injection, as well as working with configuration files. A key focus of the course is integrating Entity Framework Core, allowing you to seamlessly connect your API to a database, and you'll discover how to effectively integrate Entity Framework Core within your controllers for efficient data management.

Moving forward, **ASP.NET Core Web API Fundamentals - Kevin Dockx** covers advanced topics such as implementing search, filtering, and pagination functionalities to enhance the user experience. Security measures are also extensively covered, ensuring the protection of your API's resources. You'll also learn about versioning and documentation strategies to maintain API compatibility and clarity over time, providing a solid foundation for building robust and secure APIs.

**ASP.NET Core Web API Fundamentals - Kevin Dockx** concludes with insights into testing methodologies and best practices for deploying your API, ensuring its reliability and scalability in real-world scenarios. By the end of this comprehensive course, you'll possess the skills and knowledge necessary to construct robust APIs from scratch using ASP.NET Core, empowering you to tackle diverse development challenges with confidence and proficiency.

## ASP.NET Core Web API Fundamentals Table of contents:

1. Course Overview (Duration: 1min)
2. Getting Acquainted with ASP.NET Core (Duration: 47mins)
3. Creating the API and Returning Resources (Duration: 69mins)
4. Manipulating Resources and Validating Input (Duration: 48mins)
5. Working with Services and Dependency Injection (Duration: 53mins)
6. Getting Acquainted with Entity Framework Core (Duration: 44mins)
7. Using Entity Framework Core in Your Controllers (Duration: 59mins)
8. Searching, Filtering, and Paging Resources (Duration: 29mins)
9. Securing Your API (Duration: 49mins)
